I am Sr. Infant Mary from KERALA, India. I belong to Franciscan Clarist Community of India. I came to St. Therese, Deephaven on Oct. 9 in 1972. It was my first experience to leave my home country. When I think of my first days now it seems to me like a dream. Everything was strange to me. I have 4 more sisters from my own community. Two of them came in 1970. It took a while to adjust myself to the new changes. At first I was getting acquainted with the children and all the other things related to school. After 2 months I started full time teaching in second grade. This is my fifth year in second grade. I am really enjoying -

teaching. Also I am taking graduate courses from College of St. Thomas. Most probably I will graduate in May 1977. I am looking forward to visit my family & relatives and friends next summer. I don't know exactly how many more years I will be here. I am grateful to Fr. Janski (pastor of St. Therese) and all the good people of St. Therese for every thing that they have done for me. Otherwise I won't get this opportunity. When you open this I will be in India & live that too. Maybe I will surprise you on that day. If it is convenient for you you can send me this paper. my address is written on this paper. Thank you very much.
