1st GRADE CLASS Nov. 15

In our class we have twenty-one students. We all get along very well. We have eight different subjects. And four different teachers. Their names and subjects they teach are the following;

Sister Tresa Jose; Homeroom, History, Social Studies, and Religion. In History we are fortunate to have American History since this the Bicentennial year. And because this is also election year too, we had debates and speeches about Ford and Carter. In Religion we are studying about Confirmation since we are going to have our Con-

formation March 11th 1977.

Miss Topping - She teaches Math. In math the class is divided into people in groups and people in a regular class.

Mrs. Clyborne. She teaches Science and Gym. In gym right now we are playing volleyball. In Science we are studying and doing experiments with cells.

Sister Ritty - She teaches English and Reading. We are pretty far in both books.

My name is Sister Tresa Jose. I am a Franciscan Sister from India. This is the 5th year of my staying in the United States. I am the seventh grade home-room teacher. Also I teach in sixth and 8th grade classes. It is fun even though at times it is hard. This year I have 21 kids in the 7th grade - 13 girls and 8 boys! I am fortunate to be here when the country celebrates its 200th birthday. It has helped me know a lot about the history of this country. America is Great! I have great hope in the President-elect Jimmy Carter. God bless America and its people!
